Dear Parent/Carer

**S6 Curricular Information Evening  
Thursday 13 September 2012, 7:00 pm to 7:45 pm**

I write to invite you to an upcoming event which should increase the links between learning in school and learning in the home for pupils in S6. We are keen to share information with parents on the key aspects of successful learning at this important stage in our pupils' education.

In S6 we believe that it is important to build on the academic success of previous years by giving parents an opportunity to share our knowledge about progression in learning, consideration will also be given to the challenges that face our young people as they prepare to move on to further/higher education or the world of work.

Mrs Crilley, Principal Teacher of Pupil Support, will be addressing the meeting to inform you of the support and advice given to our senior pupils who are applying for places in college or university.

I hope as many parents as possible will attend this information evening. To help our preparations for this event I would appreciate it if you could complete and return the attached reply slip to the school office by Monday 10 September.

Yours faithfully

Mr Alan Dick
