

S3 Exam timetable

- You will receive your exam timetable at Maths on Monday period 1 and a blank timetable to record your exams
- Compare your own timetable with the exam timetable
- If you have the subject noted on any exam period, copy that on to the blank timetable. Your maths teachers will help you with this
- Class teachers will confirm exam periods with you in the course of the week and will tell you what the format of each exam will be
- When you have completed your exams on the blank timetable please check that all your subjects have been noted. However there will be no exam in Practical Craft Skills or Lifeskills (ASDAN)
- Many subjects will have 2 periods of exams
- Some subjects will only have 1 period
These are: PE, English, Music, Art, Comp, Admin and Drama
- We have arranged the timetable so that you should not have any more than 3 exams in any day and most days the maximum will be 2 exams
- If you are absent (please try not to be!) speak to your class teacher about sitting it on another day when you go to that subject. They will not expect you to sit the test if that gives you more than 3 exams in a day. It is up to you to organise this directly with your teachers
