Dear Parent/Carer

**S5 Curricular Information Evening –
Tuesday 10 September 2013, 6:00pm – 6:45pm**

Welcome back to the new session. I hope you and your family had an enjoyable summer break and that, like us, you now feel ready to face the challenges of the new school year.

I write to invite you to a Curricular Information Evening which is intended to increase the links between learning in school and learning at home for pupils in S5. We are keen to share information with parents on the key aspects of successful learning at this important stage in our pupils' education

Having had an academically successful year in S4, we are keen to continue to build on this in S5 by giving parents an opportunity to share our knowledge about progression in learning and the challenges that face our young people, your children, as they move from Intermediate courses to the next stage.

We hope that you will take away models for study planning, information on NABs and knowledge that will aid your child's motivation to learn throughout fifth year.

I am keen that as many parents as possible can attend this important event and with this in mind, can I ask that you make a return, using the slip below to the school office by Friday 6 September.

I very much look forward to meeting you then.

Yours faithfully

Jim McKenna
Depute Head Teacher S5
