Dear Parents Carers of Pupils in S3

Pupils in S3 are now well established in their S3 courses and have already been involved in sitting assessments which are part of their new SQA National courses. As a school, over the past couple of years, we have introduced some new measures to try and ensure that your son / daughter achieves their full potential at the most appropriate level – S3 Exams, tracking reports and target setting to name a few.

In short, your son / daughter is in the middle of two very important and busy years in their schooling and you may well be asking what can you, as parents, do to help support them through this period.

On Tuesday 28 October 2014, we have organised an S3 Curriculum Evening to give information and advice to parents about the support you can give to your son/daughter at this stage in their education. It will commence at 7.00pm in the Theatre and last approximately 1 hour. The evening aims to provide parents with a greater understanding of what is involved in National courses, what is expected of the pupils and how parents can help their son / daughter to achieve their best.

I hope you will be able to join us on the evening and will find it an informative, enjoyable and worthwhile experience.

To give an idea of likely numbers, please complete the attached form and return it via your son / daughter to the School Office by Friday 24 October.

Yours sincerely

Ian Cairns
Head of Year S3
