

Let's go on a Nature Walk...

Let's go
OUTSIDE

Outside learning and play is fantastic for our children's (and our own) development. Being outside promotes higher levels of well-being, better concentration, advanced physical skills.

Nature Scavenger Hunt

I wonder if you can create a picture at home with the items you have collected from your nature walk.

Transient Art

Transient art is anything creative or imaginative that is non-permanent. It is art that's moveable. A collection of materials that children can create a picture from.

We would love to see what you have created with your nature collages. Please take a picture and post onto our McCreedy Family Centre Twitter page or email us a picture! I wonder what you will make with your items you have collected.

NATURE BINGO

Please scan the code on your phone, through the camera to find out ideas of nature walks in East Renfrewshire.

Please keep safe while out following 2m distancing and take hand sanitiser with you to keep our hands clean 😊
