

Let's Recycle!

What is Recycling?

- Recycling saves our planet and environment.
 - Recycling keeps our environment clean
 - Recycling is a way to take our rubbish and turn it into something new.
- This allowing our materials to be used more than once.

REDUCE REUSE RECYCLE

What can we Recycle?

Plastic

Wood

Metal

Cardboard

Batteries

Glass

Paper

Tires

Electronics Clothing

Aluminium/Steel
I Cans

Food
Waste

Recycling Fun Facts

If you recycle 1 plastic bottle
you can save enough energy to
power a computer for up to half
an hour

FUN FACT!

A 1 litre cardboard milk carton can
be turned into 5 pieces of paper
once it's been recycled

EARTH DAY
THURSDAY APRIL 22ND 2021

Earth Day is an annual event **celebrated** around the world on **April 22** to demonstrate support for environmental protection.

Now it's Your Turn 😊

I wonder if you can sort the pieces
of rubbish into their correct
recycling bins.

CUT ME OUT

We are going to have a Recycling Week
at Nursery (*Date to be set*) I wonder if
you can join, in the house?

What can we create from our recycled
materials?

Sort it.
BRING IT.
Save it!
