Dear Parent/Carer

Eco Garden and Allotments

The Eco garden and allotments are an excellent resource for our school. The garden provides a stimulating outdoor classroom where children can learn about nature and care for their environment. It supports teaching in curricular areas such as Science. This spring classes have been busy planting, watering and weeding the allotments.

I am writing to ask for parent and child volunteers who would be willing to give up a few hours over the summer holidays to help with weeding and watering the garden and allotments. If you would be available to help please complete the tear off slip below, indicating which weeks would suit you, and return to the school office by Monday 20 June.

Yours sincerely

A handwritten signature in purple ink that reads "Jo McGregor".
