

# GRADUATE INTERNSHIPS AT SKILLS DEVELOPMENT SCOTLAND

- Are you educated to degree level or graduating this year?
- Looking for the first step in your graduate career?

If so, one of our graduate internships could be perfect for you!

We have a wide variety of opportunities from HR to Service Design, Project Management to Front End Developer, and lots in between.

You will be employed on a Fixed Term Contract for 1 year, with a competitive salary of £21,064 and excellent benefits. During this year you'll apply your existing skills to deliver projects for your team and be part of a programme of personal development. You'll have a strong support network of peers, as well as a supportive manager and mentor.

Interested? Find out more about our programme at: [www.sds.co.uk/intern](http://www.sds.co.uk/intern)

Full details of this year's vacancies will be available at: [www.sds/current-vacancies](http://www.sds/current-vacancies) from 26 April 2019.

At SDS we are ambitious about equality, diversity, and inclusion and want our organisation to reflect the people of Scotland.

We welcome applications from everyone. However, as we do not have as many employees who are disabled, care experienced, or from minority ethnic communities, we particularly welcome applications from these groups.
