Dear Parent/Carer

S2 Parents' Evening and Reporting Arrangements

As you will be aware, under the current public health arrangement for schools, we are still not allowed to offer our traditional, in person, arrangements for Parents' Evenings. However, we are delighted to continue to give you the opportunity of a Virtual Parents' Meeting on **Wednesday 29 September 2021, 4.00 – 6.30pm**. A Tracking Report will be sent to you prior to the evening. This will be shared via Parent Portal on Thursday 23 September 2021.

This Tracking Report will provide an overview of your child's progress in each subject they have studied since moving into S2. This will include a CfE progress grade as well as grades for effort, behaviour and homework. A detailed report from all subjects will be sent home in late January 2022. This second report will ensure that parents/carers receive timely information regarding the progress of their child prior to pupils making their subject choices for S3.

In order to book appointments for the Parents' Evening on **Wednesday 29 September 2021**, please visit <https://mearnscastle.parentseveningsystem.co.uk> or click on the link on the school website. Please be advised that in keeping with school policy only one set of appointments per individual pupil is permitted at our Parents' Meetings.

Login with the following information:

Student's First Name: "Known As"
Student's Surname: "Surname"
Student's Date of Birth: "Day/Month/Year"

Appointments can be made from **Monday 20 September 2021 at 6.00pm** and will close on **Sunday 26 September 2021 at 11.55pm**.

A Parental Guide and Protocols for the Virtual Parents' Evening will be sent out in due course.

Please ensure that you read this before using the online format.

Yours sincerely

Mrs. J. Mitchell
Depute Head Teacher S2
