National Qualifications

National 5 Courses

• There is an exam at the end of most courses.

- The Course Grade is derived from the final examination and the internal coursework (performance, evaluations, portfolios, research tasks) A, B, C, D, No Award.
- <u>http://www.sqa.org.uk/</u> very useful for course overviews/ assessment criteria etc.

National 4 Courses

- Each course is made up from some units, usually three.
- The units are studied either all together or one after another.
- There is no external exam at the end of the course. The award is pass/fail.

How many subjects will I take in S3?

Column I

PHYSICAL EDUCATION

- All the subjects in each column in the Option Form will be timetabled concurrently.
- This means you must pick one subject from each column
- The 9 column structure guarantees progression in the senior school.

Supporting Pupils' Option Choices

DO pick subjects because	DON'T pick subjects because
You enjoy them	You like a certain teacher
You are good at them	You think there will be less homework
They interest you	You think you ''should'' do it
They are relevant to your career aspirations	Your friends are choosing it

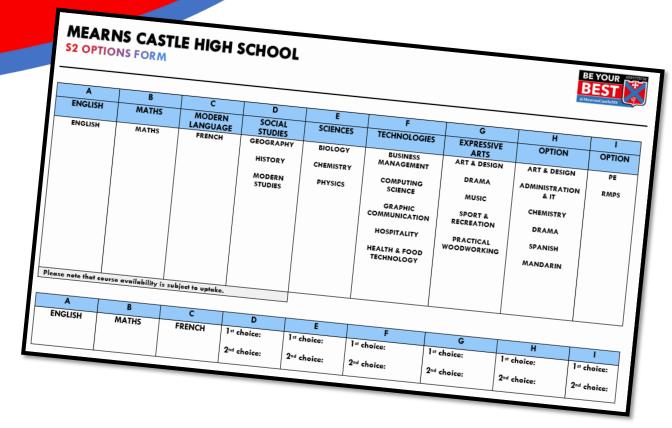

S2 Options Timeline

Thursday 8 February

- Options evening
- Options form opens

Tuesday 13 February

• Options form closes

Wednesday 14 & Thursday 16 February

• Options interviews

Final Advice for Parents & Carers

- Discuss the options process fully with your child and help them to be ambitious but realistic
- Listen to their views on their choice and help them weigh up pros and cons
- Help them to think ahead about future destinations
- Encourage them to choose a breadth of subjects that allow for flexibility in the future

Thank You
