MISS GILLAN AND

The Rights Respecting Schools group has been set up to promote an inclusive environment at MCHS where pupils learn about their rights and how to ensure all young people have their rights respected. Pupils attend meetings where their voice is heard in matters that affect them, school life and life outside of MCHS. In the past pupils have been involved in delivering assemblies to different year groups, organising food bank collections and hosting a human rights week. We are always looking for new members who are passionate about making a difference to people's lives.

## VIDEO GAME CLUB

MR MACPHEE

Game Club is an enjoyable and relaxing way to end a school week.

Aside being good fun, gaming is shown to benefit response times; encourage teamwork and critical thinking skills; stimulate creativity, focus and visual memory and improve strategy and leadership.

We primarily play multi-player games on the Nintendo Switch but we encourage members to make suggestions, organise tournaments or even just to come along for a chat about their favourite games.
