MCHS SKILLS FRAMEWORK

School extracurricular activities help students develop important meta skills by providing opportunities to manage time, work collaboratively, and solve problems in real-life contexts. Through participation, students build self-management, communication, adaptability, leadership, and critical thinking skills.

Clubs also encourage resilience and self-reflection, fostering a growth mindset that supports continuous learning and personal development beyond the classroom.

ECO- COMMITTEE CLUB

MISS LAFFERTY

Are you passionate about the planet? Want to make a real difference in your school and beyond? Then Eco Committee is the place for you.

We're looking for people who care about sustainability, protecting the environment, and creating a greener future. At the Eco Committee, you'll get involved in exciting activities like organising and entering eco competitions, litter picks, running school-wide initiatives, and even taking part in eco-themed trips.

Together, we'll work to make our school more sustainable and raise awareness about important environmental issues. It's your chance to take action, make an impact, and be the change you want to see in the world.

New members are always welcome, let's make a difference together.
