TERM 1 2026/27

MCHS SKILLS FRAMEWORK

School extracurricular activities **help** students develop important meta skills by providing opportunities to manage time, work collaboratively, and solve problems in real-life contexts. Through participation, students build self-management, communication, adaptability, leadership, and critical thinking skills.

Clubs also encourage resilience and self-reflection, fostering a growth mindset that supports continuous learning and personal development beyond the classroom.

Are you passionate about the planet? Want to make a real difference in your school and beyond? Then Eco Committee is the place for you.

We're looking for people who care about sustainability, protecting the environment, and creating a greener future. At the Eco Committee, you'll get involved in exciting activities like organising and entering eco competitions, litter picks, running school-wide initiatives, and even taking part in eco-themed trips.

Together, we'll work to make our school more sustainable and raise awareness about important environmental issues. It's your chance to take action, make an impact, and be the change you want to see in the world.

New members are always welcome, let's make a difference together.

FRENCH CULTURE CLUB

MS LAMBERT

The aim of the French Culture Club is to introduce pupils who take French as a subject to the French culture in a more informal setting. We aim to do things like French food tasting, introduce pupils to French music and French films, French board games, quizzes and cultural activities, while giving pupils opportunities to use French without the pressure of a normal lesson. The aim is to build enthusiasm for the language, broaden pupils' cultural awareness and encourage more pupils to engage with French beyond the classroom.

More than a game, the Warhammer hobby is your gateway to a global community of like-minded people who share a love for our worlds and the characters that inhabit them. With spectacular battles, extraordinary characters, and limitless creativity, Warhammer encompasses a variety of tabletop games, miniatures, universes, and stories. With loads of ways to enjoy Warhammer, from Collecting, Building, Painting, Playing or reading there is something for everyone.
