

As we gallop along towards the summer holidays, the Leadership Team would like to invite, as an

“Open Invitation” any parent or carer of the school or nursery who has generously given of their time helping us in any way throughout this session, to join us for some light refreshments as a small thank you for your time, commitment, dedication and support with volunteering in the school, nursery or both.

If you have helped in any way at all such as joined a class on a trip, participated in class with Community Learning, volunteered during Bikeability, shared your fantastic cooking or dancing skills, helped at discos or any other events, talked to the children about your profession, hobby or culture, came along to Family Friendly focus groups or attended our PTA or Parent Council Meetings or in any other way at all... indeed the list is endless ... we would love to be able to share a coffee with you and be able to thank you in person.

Please Save the Date
Wednesday 19th June 2019
2.30pm in Netherlee Primary School

We hope you can join us then.
