

# Team STEAM Newsletter

January 2020

We designed  
our logo!

## What does STEAM mean?

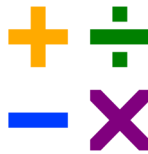

**S**—Science

**T**—Technology

**E**—Engineering

**A**—Art

**M**— Maths

## What we have already done ?

We have started to clear 'The Hub' and rearrange it so that the resources are more accessible. Our STEAM Technicians have shared our monthly Topical Science updates and we have made a fantastic display!

## What are we planning to do?

In the future we are planning to make better use of the outdoor space, buy new resources and make our school more STEAM friendly.

Look out for out Topical Science updates!
