

Dear Parents and Carers,

The school and PTA have organised an exciting **Card Design Project** for this autumn term! As part of their homework your child will bring home an A4 sheet of paper on which to create a card design along with an order form to order a range of products, which your child's design can be added to.

In Netherlee we embrace and celebrate our diverse population and encourage the designs to reflect this. The card design can be for any occasion you wish including thank you cards, Christmas cards, Eid, Ramadan, Hanukkah or simply family cards for keeping in touch. It will be lovely to see the variety of designs.

The order form included allows for you to have the design professionally printed and purchased on a range of products including Cards, Tags, Wrapping Paper and Gift Mugs. A portion of the cost will benefit the PTA fundraising efforts. You don't have to make an order of course – you can just enjoy creating a wonderful design.

There are artwork guidelines on the form which will help you create a design which will reproduce well on the products. Bold and bright designs that fill the paper produce the best effect. **Important details must not be placed within 5mm of the edge of the paper.** Please use the arrows on the form to indicate which way up the design should be used.

Orders and payment must be made online using the unique code located at the top of the pupil order form. Please refer to your order form for further instructions. **Each design and order form must be unique so please do not photocopy the form.**

When your child brings home the form, they will also know when the design and completed form needs to be returned to the school. Cards and any other products ordered will be delivered by the beginning of December.

Yours sincerely  
Netherlee PTA
