Dear Parents and Carers,

You may be aware that at the moment there is disruption to vehicle access along First Avenue. We have been advised that this is due to essential sewage maintenance being carried out by Scottish Water and it is estimated that the work will continue for some time to come.

In light of this and on behalf of local residents, we would ask if you normally use a car as a means of dropping off or picking up your child from school, that you avoid using First Avenue for the time being. Please leave a little extra time for your school journey, or better still, consider a park-and-stride option, and park a few minutes' walk away from the school.

As a proud Eco-Schools Scotland Green Flag holder, Netherlee Primary continues to strive for as many children as possible to walk, cycle or scooter to school in order to encourage healthy lifestyles and improve wellbeing whilst also looking after our precious planet.

Thank you for your support.

Netherlee Primary School
