Dear Parents and Carers

We will again be holding the next round of drop in sessions through the online platform called Google Meet which you will now be familiar with due to your remote learning experiences with your children.

To use Google Meet you will need a Google account. If you already have a gmail address you can access the meeting by simply clicking on the link we will email to you or by copying and pasting the link into your internet browser (this usually works best through Chrome). If you don't have one already, you can create a free Google account by clicking on this link:

<https://accounts.google.com/signup/v2/webcreateaccount?flowName=GlifWebSignIn&flowEntry=SignUp>

The link we will be sending out to each stage will be for all parents within the stage(s) to use at the same time. This will not be an individual meeting so please be aware if you join the drop in there may well be several other parents from the stage there too. There will be two members of staff from the Leadership Team present on the Google Meet, including your child's Stage Leader. Please note that for privacy and safety reasons, this is not the forum for individual matters and we would ask that, should you have individual queries, you contact the school via email or by telephone and we will be happy to help in any way we can.

We look forward to seeing you virtually again soon if you would like to, and are able to, join us.

Kind regards

Netherlee Leadership Team
