

1<sup>st</sup> April 2021

Dear Parents and Carers,

I'm delighted to share with you that Jane Henderson, a local photographer, will be coming to Netherlee to take class and individual photographs of your children. These photographs will be taken outdoors this year so we're hoping the sun will be shining! ☀

A timetable will be issued, in due course, so that you are aware of the day your child's photograph will be taken. We understand that, due to Covid-19, some children may have outgrown certain uniform items. Although we would encourage all children to wear a shirt and tie on their photograph day, we understand that this may not be possible this year and we thank you for your understanding of this in terms of the overall "look" of the photographs.

The buying of school photographs is, of course, entirely optional however if you would like to make a purchase in due course, the costs are as follows:

**Individual Photo**

Single 6x4" print	£10
Two 6x4" prints	£15
Single 9x6" print	£12

**Class Photo**

Single 9x6" print	£12
Single 12x8" print	£18

Unfortunately, due to Covid-19 restrictions this year, we are unable to offer photographs of sibling groups.

Once all the photographs have been taken, proof samples and order forms will be sent home and orders can then be placed. I will send an email with all the details and information required nearer the time.

Even though this has been a year like no other, we hope these photographs will act as a treasured memento of your child's time at school and something they can look back on in years to come with fond memories and which will most probably spark lots of interesting stories for them to share as well.

Kind regards,

Lynn Sweeney

Depute Headteacher
