

1st April 2021

Dear Parents and Carers,

I'm delighted to share with you that Jane Henderson, a local photographer, will be coming to Netherlee Nursery Class to take individual photographs of your children during week beginning 10th May. These photographs will be taken outdoors this year ☀ so we're hoping the sun will be shining!

A timetable will be issued, in due course, so that you are aware of the day your child's photograph will be taken.

You can dress your child in nursery uniform, their best clothes or play clothes...you choose. We will endeavour to keep children clean and mud-free on the day they are being photographed.

The buying of nursery photographs is, of course, entirely optional however if you would like to make a purchase in due course, the costs are as follows:

Individual Photo

- Single 6x4" print £10
- Two 6x4" prints £15
- Single 9x6" print £12

Unfortunately, due to Covid-19 restrictions this year, we are unable to offer photographs of sibling groups.

Once all the photographs have been taken, proof samples and order forms will be sent home and orders can then be placed. I will send an email with all the details and information required nearer the time.

Even though this has been a year like no other, we hope these photographs will act as a treasured memento of your child's time at nursery and something they can look back on in years to come with fond memories and which will most probably spark lots of interesting stories for them to share as well.

Kind regards,

Angela Kerr
