

After School Club – P2 Football Training

Dear Parent / Carer,

I am excited to tell you about a new after school club available for Primary 2 children. The club will be run virtually through Google Meet until Covid-19 guidance allows us to meet in person. There is a new Google Classroom for this club, and the children will join our sessions via the link on the classroom page. We will start on Tuesday 4th May and run every Tuesday afternoon during term time from 4:30pm – 5:00pm. To join this club, your child will need access to a ball- if you have any difficulties with this, please get in touch with me via school email and we will help with this. This can be any type of ball and does not have to be a football. Throughout our virtual meets, I will teach the children football warm up techniques used by professional athletes and we will work on skills such as ball control and body movement. The aim of this club is to have fun and to teach the children some great techniques in the hope that we can get together outside and play some games using what we have learnt when able.

I want to give any child who is interested in this club the chance of being included therefore, there is no limit to our numbers. If numbers are too large for one group, I will split the class into smaller groups and take a group every second week. If this is the case, I will email you with more information. We would love lots of girls to give football a try too so... come on girls- sign up and have fun as well. ☺

If your child is interested in this club, please enter their full name and class into our form by following [this link](#). Please can all responses be submitted by Monday 26th April to allow time for group allocation and google classroom invites. Thank you for your interest, I am excited to start this and hope your children are too!

Many thanks,

Miss Cowan
