EMPLOYABILITY SERVICES

The Scottish Government has a new programme supporting working parents on low incomes - the Parental Employment Support Fund.

Who we can help:

- Lone parent
- Families where the parent or child has a disability
- Parent with 3+ children
- Parent from an ethnic minority
- Parent with youngest child under 1 years old
- Parent aged under 25 years old

We will help you:

- identify, and work towards, an employment goal
- learn new skills to enhance your employment prospects
- understand how to maximise your income and your benefits
- search for jobs and prepare for interviews
- link with employers looking for staff with your skills and experience
- increase your income from employment
