Nursery Rhyme of the Week  
**Five Little Ducks**

### Acorns

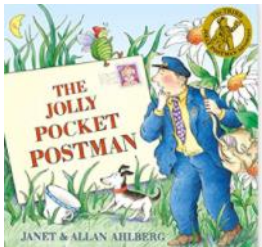

#### Spark: Measurement

Children have been building tall towers and long roads out of everyday objects. They were comparing the height and length of their constructions with each other.

**Focus:** *Children will measure themselves with different objects and measuring tapes as they continue to explore measurement.*

#### Spark: The Jolly Postman

Children chose *the Jolly Postman* to read and enjoyed reading the letters that the postman delivers to all the fairy tale characters.

**Focus:** *Children will be writing their own postcards to send to other children about their imaginary holiday.*

### Spark: The Tiger Who Came to Tea

Children have been enjoying listening to their choice of story and looking at the wonderful pictures. This inspired the children to verbally tell their own imaginary stories.

**Focus:** *We will be investigating the difference between letters and numbers and learning to distinguish between the two.*

### Spark: The Three Billy Goats Gruff

Children were interested in building a model bridge from blocks so they could act out the story with puppets.

**Focus:** *We will be building bridges out of different materials such as plastic straws and paper and constructing with junk modelling materials.*
