NETHERLEE VALUES: Friendship and Fairness, Respect and Responsibility, Courage and Compassion

Dear Parents and Carers

Due to the development of the Scottish Governments policy to end Period Poverty, all primary schools have received packs to be given out to our older girls. In normal times, we would have distributed these pack during the P6 sexual health and relationships lessons in school but unfortunately the delivery was delayed and we have just recently received our packs. We would now like to distribute the packs, containing literature and samples of personal resources e.g. towels, tampons etc., to our P7 girls. We will do this discreetly and intend to give these to each of the girls next week – **Wednesday 6th October**. The packs are contained in a small blue rucksack style bag.

We also have a supply of personal items, as above, which we always keep in school and children can access these at any time from our Caring Corner. We would encourage you to talk to your child about this availability.

If you do not wish your daughter to receive this sample pack, please let us know by email or by calling the school, by Tuesday of next week.

Kind regards
Julie Roberts
