

## A Year in the Life of Netherlee Primary School and Nursery Class

### Useful Dates for Your Diary 2021-2022

We are all very much back into the swing of the new term- both school and nursery have a feeling of calmness, positivity and happiness in the air. It is so lovely to see all of our children back looking so smart in their school uniform and refreshed and excited about the new session ahead.

I hope you will find the list of dates and timings of events in school and nursery useful and helpful to you. We very much appreciate that many parents work and have daytime commitments and therefore hope that this will help you be able to plan ahead. We very much look forward to welcoming you when you are able to join us.

As always, please don't hesitate to get in touch if there is anything that you would like to discuss with me either in relation to your own child or in relation to a more general school or nursery matter.

I am sure you will appreciate that occasionally some dates and timings of events may need to be changed due to unavoidable circumstances. We will of course endeavour, where possible, to give as much notice as possible if this needs to happen. Thank you for your understanding.
