

NETHERLEE VALUES: Friendship and Fairness, Respect and Responsibility, Courage and Compassion

November 2021

Dear Parents and Carers

We are the **Netherlee House Councillors** and we are very excited to tell you about our upcoming House Event, which will take place on Friday 3rd of December. We have decided to host a fun, art based activity and will ask the children from across the school to create their class's own Values Mascots! We're hoping the stages across the school will have lots of fun designing and creating large mascots which represent our school values of fairness, friendship, courage, compassion, respect and responsibility.

You will remember that in the past we have raised lots of money for various charities such as Red Nose Day and the Trussell Trust and, this session, we have chosen to fundraise for **Erskine**, a local charity that supports veterans, as some classes have been learning about World War 2. We know that December is an expensive time for families, so would appreciate a small suggested donation of £1, so that we can support our local veterans. We have been in touch with a representative from Erskine and they have kindly agreed to look at all of the mascot entries and then to choose one that represents each of our Netherlee values ☺. Our plan is to then print the chosen mascots and display them around the school as a reminder of our values.

Please note that this is **not** a 'dress as you please' day however, as this is one of our House Events, your child is welcome to come to school wearing a plain coloured t shirt in their house colour, if they can, with their usual school uniform items on their lower half or should otherwise continue to wear full school uniform as usual please.

A reminder that our house colours are

RED, YELLOW, GREEN, and BLUE,

We're super excited to have our first House Event of the year and we're hoping everyone really enjoys it whilst raising money for a charity close to our hearts.

Thank you very much!
