

Netherlee Primary School

Pizza

The children have been learning about fractions. In response to this and to further develop their food handling skills, on Friday 4<sup>th</sup> of March, they will be given the opportunity to make a pizza. Some or all of the following ingredients will be used to make this:

Mushroom

Sweetcorn

Red pepper

Cheddar cheese

Tomato

Pineapple (fresh)

Pizza base mix (*ASDA one which includes: Fortified **Wheat** Flour, Extra Virgin Olive Oil, Yeast, Dextrose, Salt*)

The pizzas will be cooked in school and the children will have the option of tasting their own.

Please advise us if there are any changes to the allergy information we hold for your child or if you wish your child not to try a pizza.

Many thanks for your support,  
Primary 1 teachers
