**NETHERLEE VALUES: Friendship and Fairness, Respect and Responsibility, Courage and Compassion**

11<sup>th</sup> March 2022

Dear Parents and Carers,

I hope you're all having a lovely week.

I'm delighted to share with you that Jane Henderson, a local photographer, will be coming to Netherlee to take class and individual photographs of your children. These photographs will be taken outdoors, whenever possible, so we're hoping the sun will be shining! In the case of inclement weather, we will arrange for the photographs to be taken indoors.

Jane will be here from Wednesday 16<sup>th</sup> March and will work through until Friday 1<sup>st</sup> April, allowing for additional time in case of pupil absence. We will do our very best to include all children in the photographs but this may not be possible if a pupil is absent during Jane's time at school. Unfortunately, we are unable to offer photographs of sibling groups this year.

Children should wear a shirt and school tie, if possible, and it would be helpful if children could wear school uniform for the duration of the time the photographer is in school, just in case timetables have to change at short notice. We always have spare ties in school that the children can wear, if needed ☺

Once all the photographs have been taken, proofs will be sent home and orders can then be placed if you would like to purchase the photographs. Details regarding the ordering and cost of both individual and class photographs will be sent home in due course along with the timescales for orders.

A timetable is attached which details the day your child's individual and class photograph is due to be taken.

If you **do not** wish your child to be included in the class or individual photographs, please let the school office know via School Mail by Tuesday 15<sup>th</sup> March.

Kind regards,

Lynn Sweeney

Depute Head Teacher
