

Netherlee Primary School

The children have been learning the French language and all about French culture. In response to this and to further develop their knowledge, on Monday 28th of March, they will be given the opportunity to visit our very own French Café. Some of the following foods will be available for tasting:

- **Croissant** - Wheat, Dairy, Gluten, may contain egg and soya
- **Pain au chocolat** -Wheat, Dairy, Gluten, may contain egg
- **Cheese** - Dairy
- **Orange Juice**

Please alert us if your child has any intolerance to the ingredients listed or any other that we should be aware of.

Please advise us if there are any changes to the allergy information we hold for your child or if you wish your child not to try the French food.

Many thanks for your support,
Miss Faulkner and Miss McLauchlan
