Primary 3 Parents

To celebrate the start of Book Week Scotland your child will receive their very own Read, Write, Count bag on Monday 19th November. During the subsequent weeks we would like to invite parents and children of Primary 3 to our Read, Write, Count sessions. This is a great opportunity to work alongside your child and learn some new strategies that encourage good reading, writing and counting habits. Our aim is to provide three short 20 minute sessions over the course of three weeks and parents will have time to explore the different resources contained in the bags.

Details of the Primary 3 sessions can be found below.

Wednesday 21st November at 3:15pm

Parents and children bring their Read, Write, Count bag and join us for an introduction to the Read, Write, Count Website followed by reading tips and supported activities. We'll be exploring There Is No Dragon in This Story and Picture Atlas.

Wednesday 28th November at 3:15pm

Parents and children bring their Read, Write, Count bag and join us for a supported writing session using story cubes.

Wednesday 5th December at 3:15pm

Parents and children bring their Read, Write, Count bag and join us for a supported counting session.

Please Note

To help us plan for this event we would request you sign up via the link
