

November Newsletter

Welcome to our monthly newsletter on a dreich and windy day. At parent council meeting last night we shared a whole range of activities and events which happened across term 1. The children and staff have been so busy as I am sure you will agree. We had a full range of assemblies and presentations today to celebrate our Patron Saint - Saint Andrew. Children enjoyed the musical talents of our pupils and the opportunity to wear tartan had them high as kites all day. Need I say more?!

Please enjoy the contents and feedback on the form below with any questions or suggestions.

Informal Entry on Wet Mornings

The procedure for *informal entry* during inclement weather is as follows:

Pupils may wait in the **Mensa** in the main school and the **Porch** area in the Junior Department on mornings when it is too wet to wait outside. Adult supervision from school staff is available from

8.45am and doors will be open from 8.50am. Parents are welcome to supervise their children prior to the stated times. No child should be left unattended in the school building.

Severe Weather Contingency Plan

During periods of severe adverse weather the Council will endeavour to do everything in its power to ensure that schools remain open. However, should our school require to be closed, as much notice as possible will be given to parents. This may take the form of an email, text message, and a notice on the home page of the school website or on Twitter.

East Renfrewshire Council's official website will also contain up to date information regarding the impact of the adverse weather conditions on Council services including schools.

Should the school require to be closed during the course of a school day; no child will be allowed to make their way home unsupervised. Parents, having been contacted by text, will be expected to make arrangements for pupils to be collected from the school. If you have recently changed any of your contact details, please inform the school.

Pupils who normally travel by school bus will be escorted to buses by school staff provided that this service is still operational, otherwise the children will remain in school until collected by an adult. If you require to telephone the school the main office telephone number is 0141 570 7280.

P3 Girls Football

The P3 year group are currently exploring an option of entering a girls team into the next set of the Girls Under 9's ERSDA league games - games will be played on a Sunday mornings from March next year.

We currently have a number of girls training and playing with the OLM2011 team but would need to recruit a few more to allow an under 9 girl team to be viable for the Sunday morning games.

Our training takes place at the Woodfarm Complex on Monday nights between 6.30-7.30pm.

We'd like to hear from any under 9 girls who have had an interest in playing football - you can contact the lead coach (Murdoch MacDonald) direct on *07764949750* for more details.

Any boys also interested in joining the P3 OLM2011 team can also get in touch on the above number.

You can see a short film on our fantastic ERSDA league on the @ERSDALeague twitter account or here: <https://bit.ly/2r790HI>
