19<sup>th</sup> November 2020

Dear Parent / Carer,

### Level 4 Restrictions

Following the First Minister's recent announcement, you will be aware that East Renfrewshire, alongside neighbouring authorities, will be entering Level 4 restrictions from Friday 20<sup>th</sup> November at 6pm. Whilst this is of course disappointing, hopefully this will be a short term measure that will help reduce cases and restrictions will be eased in the coming weeks.

### PE Lessons

Unfortunately there will be no indoor PE while we are in Level 4 and outdoor learning will remain a priority.

### Warm Clothing

Please ensure that your child comes dressed to school for all weathers. We are required to have classroom windows open at all times to ensure adequate ventilation to help reduce the risk of COVID infection. Please ensure pupils have at the very least two layers i.e. a shirt and a jumper/sweatshirt and that they have a suitable jacket which is waterproof and has a hood.

If you have any difficulties with this request please do not hesitate to contact the school and we will do whatever we can to help to provide suitably warm clothing for your child(ren).

### Shielding

The current, general advice for children and young people in Level 4 is that they should not be attending school in person. We will be in touch with those concerned regarding remote learning provision.

We will update with any additional information and guidance as and when it becomes available. Please do not hesitate to get in touch if you need any further information or clarification.

Kind regards,

*Mrs Dillon-Ruddy*
