

# P7 CHRISTMAS ENTERPRISE

Primary 7 are once again taking part in the Virgin Grow £5 initiative and will be selling their products online from Monday 7<sup>th</sup> December (more information to follow). We are very busy making our fabulous products but could use some help in sourcing some materials. Below is a list of some of the materials we are looking for. If you have any lying around the house and are able to help please send them into school with your child. These resources will be quarantined for 72 hours before use. As we are on a tight deadline we really need any resources you are able to share by Friday 27<sup>th</sup> November.

Many thanks for all your help and we hope you are looking forward to browsing through our online websites soon!
