

The background features a stylized illustration of numerous hands of various colors (green, yellow, orange, red, pink, purple, blue, teal) raised in a gesture of unity or celebration. The hands are rendered in a low-poly, geometric style.

We Are OLM

Photography Challenge 2021

May 2021

#OLMSelfie

We are putting forward an 'OLM Photography' challenge. We would like to practise our photography skills - and are encouraging all members of our school community to take part! Our mission is to channel the phenomenon use of 'selfies' as a positive means of self expression.

We would like all our pupils to set up and take a picture that they feel represents **who** they are.

Your Selfie

- The challenge is to take a picture that represents **YOU!**
- We would you to share a little more about your interests, the people in your life and the things that you love.
- Your picture can include family members, beloved pets, personal interests and mementos.
- You can take it outside, in a favourite room or space in your house - anywhere you like!

Some things to think about...

(Tips for taking a spectacular picture)

SETTING

Where exactly would you like to take your picture?

Where will you take your picture?

Try to think of a visually stimulating environment. Maybe:

- Inside your favourite room?
 - In the great outdoors...
 - An area/space in your house that you love to spend time...
-

WHO & WHAT

Is there anything that you love
and would like to include in the
picture?

Maybe...

Members of your family?

A special pet?

A piece of sports
equipment that you use all
of the time!

Perhaps a favourite toy that
is special to you!

YOUR EXPRESSION

What are some expressions that you think you use quite often?

Do you sometimes act a little mischievously?

Are you very determined?

Do you like to laugh and smile a lot?

Can you be **TERRIFYING** when you want to be?

Choose an expression that you think represents **YOU!**

Finally - some
inspiration to get you
started! [OLM Photo](#)
