3α5; Lucy Dickson Craig McKeegan
3α6; Declan Walsh Lucy Dillon
3α7 Rebecca Dunese Calum Doyle
3α8; Grace Quigley David Hayes
3α9 Hashim Ahmed
3α10; Rebekah Holmes Alexander MacDonald

Absent

Imaan Shezad, Mark Rae, Sarah Walsh, Teri Bennett

1. Parents' Evening Feedback

- Pupils found Parents Evening very useful and constructive.
- Happy with the tracking grades as it makes the report more meaningful and gives the pupils a clearer understanding of their progress.
- Overall class teachers are giving feedback on the report in advance of the parents' evening.

2. Wider Achievement Booklet

- Pupils found the booklet useful though would like it to be adapted next time.
- Pupils found it difficult to reflect on their wider achievement but recognised the reasons for it.
- They thought it was a good idea to have the discussion as part of the Parents' Night.
- Pupils could see the link of wider achievement and e-portfolios.

3. E- Portfolio- (S1- S3)

- Pupils find Glow difficult to use and would like a Glow app. We discussed the benefits of e-portfolios and the pupils would like the PSHE teachers to revisit how to use Glow during class.

4. Target Setting/ Report Feedback

- Pupils see the value with target setting and especially with the target grades included in the recent report.
- Pupils enjoy the dialogue with Pastoral and Class teachers.

5. School Planner/ Diary

- Pupils would like more space to record notes in diary though they are happy with the current size of the diary as they would not want a larger diary.
