- The meeting commenced with a prayer.
- Health and Wellbeing – Responsible Citizens
The pupils discussed the recent drugs awareness lessons. Happy with the content as it was informative and interesting. Pupils like the list of street names to raise the awareness of them. The pupils would like the Campus Police Officer to also deliver these lessons.
- A discussion also took place regarding the consequences of putting photos on social media and the impact that can have on future opportunities.
- Pupil Voice
Consultation Letter for new primary school was discussed as all of our pupils have been issued with the letter enabling them to voice their views on the matter. The pupils are happy to be able to discuss important matters like this.
- New Report Format

The pupils were in agreement that the report was easier for their parents/guardians to understand as the star system has been replaced with words

- Subject, Work, Unit assessments etc
Pupils commented on the pace of work and that they are aware of the importance of Unit Assessments. They feel that in most subjects that volume and challenge of the subjects is greater than in S2.
