

## **STAY CALM AND REMEMBER TO SMILE**

As I'm looking out at everyone sitting here today, it's my personal belief that each and every one of you deserves the best Sixth year possible. I can Bring you that Sixth year.

Ironically, if I was elected as Head Boy, it wouldn't really be about me, it would be about you.

I would listen to what the yeargroup wanted, and do everything within my power to make it a reality.

I would take on board your concerns, try my hardest to solve your problems, and most importantly, strive to bring you a fantastic final year at this amazing school.

Of course, I would be open to suggestions from the teachers and other staff as well – I would want this year to run as smoothly for you as it would for the pupils.

To you, the incredible staff of St. Ninian's I say this: I recognise the enormous effort you put in to the running of the school, and if elected, I would endeavour to help you with this as much as I possibly could.

You'll probably be asking "Why should I vote for him?" "What sets him apart from the other candidates?" And while I must admit that every candidate running for the post would do an amazing job, I believe I would be the best choice for the following reasons:

If I could use only one quality to describe myself, it would be hard-working – you can guarantee that I would be 100% committed to bringing you a stellar Sixth year. You would be my priority.

Those who know me will tell you that I'm a good listener and that I'm easily approachable, so taking in your comments and suggestions would be a very simple process.

Finally, I have experience in political situations, which I'm sure you will agree would be a massive aid for the role of Head Boy.

If you take one thing away from this speech, let it be this:

A vote for me is a vote for a competent representative who will listen to every comment and concern you have.

A vote for me is a vote for a Head boy whose priority would be bringing you the best Sixth year possible.

A vote for me is a vote that ensures the year runs smoothly for staff and pupils alike.

A vote for me is a vote for you.

Thank you.

Jack Dudgeon.
