

St. Ninian's High School

Advanced Higher Biology

Home Study Resources

- It is vital that your **SQA Exam preparation** continues over the coming weeks
- **Continue working** on your planned revision programme using your printed student notes for each topic, make certain that these are complete and are well organised. Your **Advanced Higher Study Guide** is an important resource containing additional explanation and relevant advice, make sure you use it often and properly!
- Use the study techniques that you have been shown that work best for you. Make up **additional** notes and set aside time to practise SQA past paper questions **under timed exam conditions** to help identify any problem areas
- Ensure that you are referring to Version 2 of the **SQA Arrangements** document for relevant course information as required
- Look at each **Key Area** of the AH Biology course in turn and complete, then self-mark the appropriate past paper questions
- **In addition to the above**, the following links will assist your continued study and learning:

<https://is.gd/2jLPdx>

The entire Advanced Higher Biology course is available via the above link. Should your own login be unavailable you can use the Guest Login facility.

<https://is.gd/wjWFmO>

The above link takes you to published SQA Advanced Higher Biology Past Papers and associated marking schemes from 2016 – 2019.

Keep up the hard work!
