## Rationale:

The course will be delivered using a range of "skill builders" which have been designed to develop their skills in CAD, DTP and manual sketching. Each "skill builder" will provide students an opportunity to improve their confidence in the use of key software whilst using theory and homework tasks to develop their knowledge in preparation for written examinations.

No.	Project	Skills	Weeks
1	Smart Speaker	Practice Assignment and theory	12
2	SSEA	DTP task and theory	2
3	The 3P's	Theory	1
4	Architecture	CAD task and theory	4
5	Port Endor	CAD, DTP & SKETCHING	2
6	Buzz-It USB (AVU)	N4 AVU	7
7	S3 Class Test and Revision	Theory	3
9	S3 Assignment	CAD, DTP & SKETCHING	9
	Total		40
