

Advanced Higher Graphic Communication

Week No.	Theory		Homework	Final Project	
1	Common Elements	Digital rights management and/intellectual property rights	HW1	CVMG Skill Task	
2		Graphic Project Planning			
3	Commercial Visual Media Graphics	CVMG Creators, Users and their Audience Requirements	HW2	CVMG Final Project	
4		Graphic Media File formats and their use			
5		Design Elements and Principles	HW3		
6		Printing Technologies and terminology			
7		Quality and Standards in Print and Digital Media	HW4		
8		Animation			
9	CVMG Assessment				
10	Technical Graphics	Computer-Aided Design (CAD)	Drawing Standards, Protocols and Conventions		HW5
11			3D Modelling Techniques		
12			Orthographic and Pictorial Work		
13		Computer-Aided Illustration	HW6		
14		Built Environment	Creators, Users and their Audience Requirements	HW7	
15			Planning Drawing and Surveys		
16		Manufacturing and Engineering	Creators, Users and their Audience Requirements	HW8	
17			Simulation		
18			CAD/CAM	HW9	
19	Graphic File formats and their use				
20	Prelims			TG Final Project	
21					
22					
23	Revision and Past Papers (Increased focus on Final Project)				
24					
25					
26	TG Assessment				
27					
28					
29	Revision and Past Papers (Increased focus on Final Project)				
30					
31					
32					
33	Study Leave			Final Project Check	
34					
35					
36					
37					
38	New Timetable Begins: Students will complete a CVMG Skill Tasks to provide them with the necessary knowledge and experience to being their final project
