

Dear St Cadoc's Primary and Nursery Class Children

We are SO excited to have you ALL back in school on Wednesday 12 August. The school and nursery class has not been the same without you and I can't even begin to tell you how much we have missed every single one of you.

I managed to send you a few 'video' messages to let you know how proud I am of you and although I knew you could see me on the videos – I could only picture you. I don't think I will be able to sleep for excitement on Tuesday night because I can't wait to see you all again. I know that will be the same for all staff in St Cadoc's Primary and Nursery Class.

Please don't worry if you are feeling nervous about starting or returning to St Cadoc's Primary or Nursery Class, those feelings are absolutely normal and even the adults will have them – even me! ☺

You received a message from your new teacher or child development officer (nursery) before the summer holidays so that you would be able to 'picture' them in your head. But on Wednesday, you will get to meet them and they will spend time getting to know you. They will also be able to listen to what you have to say and will talk through with you some of the changes which are in place to allow us to all return to school together.

I know you will be looking forward to seeing all of your friends and I can't wait to hear the 'joy and laughter' which you bring to our school. You know that I constantly tell you that you are the most important people in St Cadoc's as without you there would be no need to have St Cadoc's School and Nursery Class. We are all so proud of you and we can't wait to welcome you back.

Our love and prayers are with our 2020 Primary 7 leavers as they embark on the next stage of their 'educational journey' and we look forward to hearing how they are all getting on. They are a credit to our school and their families and I know they will 'reach for the stars.'

Our new Nursery and Primary 1 children, we want you to know that we are so happy that you are joining the 'St Cadoc's Family.' We know how special you are to your families and how much they love you. Your families are so proud of you and so are we. We look forward to getting to know all of you and having 7 happy years in St Cadoc's School – and up to 2 happy years in the Nursery ☺

Sleep tight on Tuesday night and Wednesday is going to be such a great day!

With love from

Mrs McBride
