

## PFFA - Final Submission

### Pope Francis Faith Award - Important Information

Dear Parent/Guardian,

As your child has chosen to take part in the Pope Francis Faith Award, we would like to inform you that the **submission deadline** is approaching.

To achieve the award, your child must have **completed** the Faith Journal and **submitted** this to the class teacher by **Mon 18th of Feb**. There is a copy of the Pupil Assessment Sheet attached for your child to complete prior to submission.

For the Faith Journal to be eligible for submission, there must be a **reflective comment** made for **each** of the Gifts of the Holy Spirit within 'School' and 'Home' sections, in addition to the majority of the tasks on the right hand page of each gift completed, and signed by a witness where possible.

*NB - Pupils are encouraged to submit any further evidence of their faith journey in the form of photographs, notes from family and friend, letters, prayers, pictures or additional reflections.*

Furthermore, we would encourage all pupils participating to aim for **Parish Commendation**. To receive this additional layer of the award, pupils must have a reflective comment in the 'Parish' sections of the journal. Additionally, children are required to submit their **completed** Parish Commendation sheet for review and signature of their Parish Priest. **P7 pupils should submit their Parish commendation sheets at mass on 03/02/19. Pupils can attend any mass and are encouraged to wear their school uniform on this date.** (St. Joseph's Parish pupils will leave their sheets to be signed and Fr will return these to the school)

Please do not hesitate to contact me if you have any further questions.

Kind regards,

Miss Quinn
