## FAMILY FRIENDLY CHARTER

### - GUIDE, PROVIDE, SUPPORT -

In the St. Ninian's family, we grow, learn and achieve together. Through our shared values, we ensure all members of our community feel welcome, included, valued, respected and heard. We follow the model of Guide, Provide, Support.

**Guide:** We commit to providing guidance and direction on the use of programmes, learning styles and more.

**Provide** We will provide resources, materials and anything that your child may need to enhance and improve their learning experience.

**Support:** We are always here as a listening partner in your child's development.

**Together we commit to:**  
**showing one another respect**

**working together in partnership as staff, guardians, professionals, pupils and members of the community**

**celebrating diversity and ensuring equality of care, love and respect is shown to all in our community**

**listening and communicating well with one another to build shared understanding and reach our goals**

**growing in our skills and abilities through our dedication to professional learning and study**

**valuing the Mental, Physical, Emotional and Spiritual Health of all those within our community**
