

# ST JOSEPH'S FAMILY CHARTER STATEMENT

In St Joseph's Primary - we grow, learn  
and achieve together.

Our school values ensure all members of our St Joseph's  
family feel welcome, included, valued, respected and heard.

We value wellbeing and we take great pride in  
celebrating equality and diversity  
in our community.

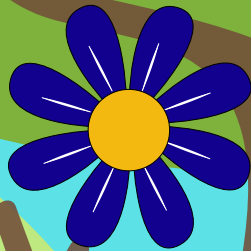

## HOPE

Our St Joseph's Family  
encourage one another to  
have a positive attitude to  
wellbeing, life and learning. We  
engage meaningfully with  
families and take account of  
individual circumstances  
to meet different  
learning needs.

## JUSTICE

Our St. Joseph's family  
respect the rights of others  
and treat everyone with fairness,  
kindness and equal dignity.  
We celebrate the beliefs and  
cultures of everyone in our  
faith community.

## COMPASSION

Our St. Joseph's  
family show kindness in all  
that we do. We pride ourselves  
in demonstrating this through  
our interactions with one  
another both in school and in  
our wider community.

## LOVE

Our St. Joseph's family  
ensure that our school is a  
warm & welcoming environment  
where everyone feels  
comfortable, included, loved and  
safe to engage in learning  
and friendships.
