AIMS

To be welcoming and inclusive, with genuine friendliness, concern, respect and a sense of community.

To encourage the value of hard work and have high expectations of both staff and pupils

To equip our pupils with skills and attitudes for lifelong learning, which will prepare them for life beyond school

To strive for educational excellence, ensuring breadth and balance across the curriculum.

CURRICULUM RATIONALE

"In St. Joseph's, our curriculum is designed to inspire every individual to develop their unique, God-given talents. Encouraging child-led learning opportunities, we aim to ensure all feel safe, valued, respected and loved through fun and prayerful experiences."
