

# ST NINIAN'S CLUSTER PARENTAL WORKSHOPS 2025-2026

## GUIDE . PROVIDE. SUPPORT.

The St.Ninian's Cluster are committed to offering our parents and guardians information with regards to how best to support your child.

We are therefore delighted to be able to share with you the parental workshops running this session.

Some of the Primary Schools within the cluster will host these events, however, all parents from across all schools and ELC settings are very welcome to attend. *We look forward to seeing you there.*
