

School Prayer

God our father,
We, the pupils and staff, gathered in St
Luke's,
Ask you to help us this day
To respect others,
To do your will
And to work to the best of our ability.
Help us to remember those in need of
your love
Within our school
And in the outside world.

May we, like St Luke, our patron,
Heal any hurt in those around us
And be a source of comfort to those in
need.

We offer our prayer
Through Christ our Lord, Amen.
