

**St. Luke's High School
Information Evening
For
Parents/Carers of Primary 7 Pupils
Thursday 28 May 2015**

Evaluation: In planning evenings such as this, we are keen to take into account the views of parents/carers, pupils and staff. We would appreciate your giving some time to completing this form and placing in the box at the janitor's desk on your way out.

Thank you.

What did you think about the format of the evening?
