SCOTTISH APPRENTICESHIPS: BE A PART OF IT! 2

Tuesday 25 February, 10am – 12pm

Wheatley Academy, Wheatley House, 150 Ingram Street, Glasgow, G1 1DW

After a fantastic event last year, Skills Development Scotland and the Wheatley Group are teaming up again for our ‘Scottish Apprenticeships: Be A Part of It!’ partnership event to help support ethnic minority, disabled and care experienced individuals into apprenticeships and employment.

Come to our Apprenticeship & Opportunity Fair and find out more about securing a role with organisations such as the Wheatley Group, Arnold Clark, Skills Development Scotland, Glasgow Life and more. You will also get to see some of the exciting opportunities that are available for application now.

The Apprenticeship & Opportunity Fair will run from 10:00am until 12 noon. You also have the option of attending 1 or 2 of our workshops. They will run twice during the event so you can attend both if you want.

To secure a spot at one of the workshops email MAEquality@sds.co.uk

10:00 – 12:00 | Apprenticeship & Opportunity Fair – there will be tea, coffee & food throughout!
