

The Spring holidays are fast approaching and there are loads of activities on offer for your children!

If you are in receipt of council tax or housing benefits you may be able to get FREE places on some of our most popular activities including our all days camps at Barrhead High Schools and Eastwood High School.

Our full brochure will be out in schools shortly but in the meantime you can view the online version at www.ercultureandleisure.org/activities or book on by calling 0141 577 3008.

The booking line open on 29th February but places are limited so you'll need to book quickly!
